Some tax relief options for individuals

Venture Capital Trusts (VCTs)

- Relief on investments in certain quoted companies up to £200,000 per annum
- Income Tax relief at 30%, provided shares held at least five years
- Capital Gains Tax exemption on disposal (only if Income Tax relief received)
- Dividends received from VCTs may be exempt from Income Tax.

Enterprise Investment Schemes (EIS)

- Relief on investments in certain unquoted trading companies up to £1m per annum (or £2m as long as at least £1m of this is invested in knowledge intensive companies)
- Income Tax relief at 30%
- Capital Gains Tax exemption on disposal
- Can be left to beneficiaries free of IHT, provided held for at least 2 years at time of death
- Unlimited amounts of capital gains from the disposal of other assets may be able to be deferred by making an EIS investment.

Corporation Tax

- The Corporation Tax for company profits is currently 19%, increasing to 25% from 1 April 2023
- A Small Profits Rate of 19% beginning 1 April 2023 continues to apply for companies with profits of £50,000 or less
- Companies with profits between £50,000 and £250,000 will pay tax at the main rate reduced by a marginal relief providing a gradual increase in the effective Corporation Tax rate.

Inheritance Tax (IHT)

- The nil-rate IHT band is £325,000, with 40% IHT normally payable above this threshold
- A lower rate of IHT (36%) applies if you leave 10% of your net assets to charity
- Residence nil-rate band of £175,000 where a residence is passed on death to a direct descendant.

The proportion of the threshold 'unused' on the first death of husband or wife (or civil partners) is effectively transferable to the surviving partner and serves to increase his or her threshold by a corresponding percentage.

Chargeable lifetime transfers and potentially exempt transfers attract taper relief on tax payable on the gift, if made up to seven years before death, on the amount of gift over the nil-rate band.

Certain gifts are IHT-free however soon death occurs, including:

- Gifts between UK domiciled husband and wife or between civil partners
- Total gifts up to £3,000 in a year (can be carried forward one year)
- Small gifts to other recipients (up to £250 per recipient in year)
- Gifts in consideration of marriage or civil partnership ranging from £5,000 from each parent of the couple, to £1,000 from anyone else.
